CAREER OUTCOMES

A traineeship is an excellent development opportunity that builds highly practical skills. Trainees can become work ready to gain a competitive edge in the employment market – and school-based traineeships are also available.

Undertaking a traineeship in Business Administration or Customer Service can lead to a broad range of career outcomes in product and service related businesses - from Accounting and Finance, to Human Resources, Marketing and as an administration professional.

Warehousing or Engineering traineeships can open up pathways to administrative or hands-on roles with engineering firms, fabrication companies or even in large scale logistics, storage or transport.

MULTIDISCIPLINARY TRAINEESHIPS

- ✓ Business Administration
- ✓ Engineering Production
- ✓ Warehousing Operations
- ✓ Customer Service

“It sometimes blows me away that I’m 25 years old and just about running my branch. It is a privilege to have both clients and my team relying on me everyday.”

- Kayla Schimke
Customer Service Manager
